Players should arrive 30 min prior to start of tryouts in order to check in. Players should be dressed accordingly with cleats (or turf shoes), shin guards, ball and water. Players should NOT WEAR ANY CLUB IDENTIFYING GEAR, UFA or otherwise.

When you arrive at the fields, proceed to the check-in table labeled with your player's age group and birth year. You will need to provide the volunteer with the player's name. The volunteer will, in turn, confirm your registration, provide you with a tryout number for your player and direct you to the appropriate field.

- 1) **All players MUST check-in at their age appropriate table EACH NIGHT**
- 2) Turn in the tryout numbers into the evaluating coach each night
- 3) Age Group Coordinators may hold a brief meeting after the nightly sessions

Play-Up Requests: Players must register and tryout for the age appropriate group. At tryouts, check-in at the age appropriate table and note on the check-in sheet that you are requesting to play up. Proceed to the age appropriate field and notify the Coach that you are requesting to play up. After approximately 30 minutes with the age appropriate group, the Coach may refer you to the older age group for evaluations. Be sure to speak with the older age group Coach to ensure that he/she is aware you are a play-up.

Should you have any questions on-site, please look for a UFA Staff member.

We look forward to seeing you on the fields!
