FEE CHART HERE...

**Participation Fee Notes:**

- Academy/Select participation fees include team camp, training and specialized programs as described in the chart above.
- Uniforms, tournaments, Regional/National events and personal travel expenses are extra. They are not included in the participation fees. (U8 uniforms are included in the participation fees.)
- All players must order and wear the official UFA uniform, per UFA Uniform Policy (uniform is approx. \$240, plus \$100 for top teams)
- All players are required to pay their portion of the team's tournament expenses, regardless of individual participation
  - be prepared for at least 2 tournaments per season: approximately \$60-\$125 each, not including your personal travel expenses (team managers may start collecting immediately after signing day)
- Teams “projected” to play NPL (not to be confused with National League) and SCCL have the bond, application and referee fees included in the cost of participation. However, they MUST pay their own personal travel expenses and coach mileage/per diem/hotel, as these expenses are NOT included in the participation fees.
  - NPL and SCCL will now fine teams \$250 per incident, for games that need to be rescheduled for reasons other than inclement weather. In the event that your team is charged a re-schedule fee, the amount will be divided equally among all rostered players, regardless of individual participation and is considered an additional expense (not included in the participation fees).
- Regional/National events will be treated as a tournament. Training in preparation for the event and all other expenses associated with this league are an EXTRA personal expense and are NOT included in the cost of participation. In addition, these players are responsible to pay their own personal travel expenses, event application fee and coach mileage/per diem/hotel, as these expenses are NOT included in the participation fees.
- If a team qualifies for National League (not to be confused with NPL), the application fee, referee fees and all other expenses associated with this league are an EXTRA personal expense and are NOT included in the cost of participation. In addition, these players are responsible to pay their own personal travel expenses and coach mileage/per diem/hotel, as these expenses are NOT included in the participation fees.

- Team Managers may begin collecting these tournament registration fees, coach per diem/mileage/hotel and National League fees immediately following signing day
- Club fees for the entire seasonal year are due as scheduled. A payment plan is available to help manage the financial impact on your family. Please note: If you click on the pay-in-full option during the registration process, but then decide to make payments, you will be advised to complete the registration process over again and an additional administrative fee of \$100 will be charged to your account. (The administrative fee will be notated as the acceptance fee in the second registration.)
- Should you choose a payment plan: Payments are due on the 1st of each month and considered late on the 5th. (Any payments received on/after the 5th will have a late fee of \$10 added.)
- On the 10th of each month, any player with a balance will automatically have their player pass pulled and will not be eligible to participate in any UFA activities (games, tournaments, camps, clinics, etc.) until their financial obligation has been satisfied. If you register for ANY other UFA activities, the player will not be permitted to participate in that activity. UFA reserves the right to cancel the registration and allocate those funds toward the past due registration fees.
- The Coach, Team Manager and Parent will be notified via email of any player with an outstanding balance on the 7th of each month. This is not to embarrass anyone; however, the coach and team manager need to know they may be missing a player for the next game.
- If your account is 30 days past due, the player will NOT be permitted to attend practices until the financial obligation has been satisfied.
- U7-U14 (not SCCL) will have a payment plan option of 5 monthly installments, including a convenience fee of \$5 per month. If you register after October 15th, your number of monthly installments will be reduced so all fees are paid by March 1.
- U12-U14 (SCCL) will have a payment plan option of 6 monthly installments, including a convenience fee of \$5 per month. If you register after October 15th, your number of monthly installments will be reduced so all fees are paid by March 1.
- U15-U19 (Premier SCCL) will have a payment plan option of 5 monthly installments, including a convenience fee of \$5 per month. If you register after October 15th, your number of monthly installments will be reduced so all fees are paid by March 1.
- U15-U19 (not Premier SCCL, Red) will have a payment plan option of 4 monthly installments, including a convenience fee of \$5 per month. If you register after October 15th, your number of monthly installments will be reduced so all fees are paid by March 1.
- U15-U19 Select (Gold) will have a payment plan option of 3 monthly installments, including a convenience fee of \$5 per month. If you register after August 2, your number of monthly installments will be reduced so all fees are paid by November 1.
- If your “HOME” team is different than the team you are rostered on, you pay the “HOME” team registration and tournament fees. (i.e.: If your player is rostered on one team but will primarily practice/play with another team, you will be charged the primary team’s fees.)
- Out of County fee (OOC) is not included in the participation fees. If applicable, this fee will be added at check-out.
  - U7-U14 players will be charged an OOC fee for 2 seasons (fall and spring), \$180
  - U15-U19 players will be charged for the fall only season, \$90
  - U15 players who choose to register, pay and participate in the U15 Spring Friendly program will be charged an OOC fee for the spring season upon check-out, \$90
- U15 Spring Friendly season was initially offered in the spring 2019 and we anticipate it will continue in the spring 2020. The program is NOT included in the Select participation fees, as it is OPTIONAL. The fee associated with the program is in addition to what was paid toward Select participation fees.
