SCCL Premier Divides into Two Conferences

The **Southeastern Clubs Champions League (SCCL)** is excited to share the division alignments and member clubs for the newly formed **SCCL Premier (SCCL-P) Division**. SCCL Premier will incorporate six Metro Atlanta clubs, as well as an exciting new partnership with the Carolinas Premier League (CPL) across two conferences: East and West. Clubs will compete in the 13U-19U age groups in both genders with schedules that meet the needs of each conference.

The Carolinas Premier League was formed in 2018 as club-centric league for 8U-12U competitive clubs in an effort to provide a developmentally appropriate atmosphere for competitive youth players. Currently, there are 13 member clubs in the CPL, of which the following 11 have elected to compete in the **SCCL-P East Division** at the 13U-19U age groups:

Augusta Arsenal SC (GA)
The Bulls Soccer Club (SC)
Cainhoy Athletic (SC)
Charlotte Independence Soccer Club (NC/SC)
Coast FA (SC)
GPS Coastal (SC)
GPS Lexington (SC)

The **SCCL-P West Division** will initially be comprised of Metro Atlanta clubs and one South Carolina club. SCCL-P West Division Clubs are listed below:

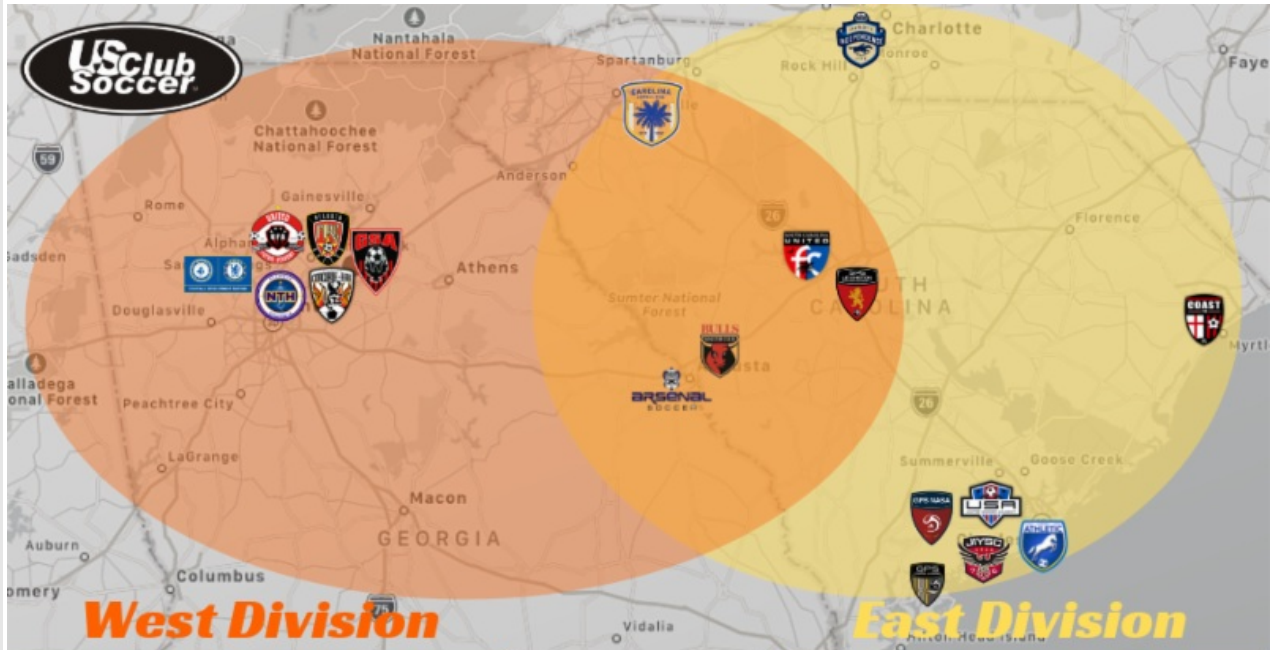

Atlanta Fire United (GA)
Carolina Football Club (SC)
Concorde Fire (GA)
Gwinnett Soccer Academy (GA)
NASA TopHat (GA)

The SCCL has had a profound impact on youth development, as well as providing economical travel and college exposure. The club-centric nature of this league means costs are lower, travel is more manageable, and coaching conflicts are virtually non-existent. These factors, coupled with elite level of competition, makes for a more enjoyable

experience for players, families, referees, administrators, and coaches!
