skills for soccer, skills for life

UNITED FUTBOL ACADEMY SOUTH GEORGIA

UFA is Georgia's PREMIER SOCCER CLUB.

We are dedicated to serious and talented soccer players seeking long term player development. At UFA, our method to developing players begins at the grass roots level and continues through the highest levels of play within our programs. Our motto – **Skills for Soccer, Skills for Life** – is the backbone of our philosophy. While we strive to develop each player's soccer potential at the pace of the player, we attempt to help instill the moral values of life into the game of soccer. It is our challenge and responsibility to create an environment in which players can reach their full soccer experience that is necessary to be successful both on and off the soccer field.
