- * All players must order and wear the official UFA uniform, per UFA Uniform Policy (uniform is approx. \$240, plus \$100 for top teams)
- * All players are required to pay their portion of the team's tournament expenses, regardless of individual participation
 - >be prepared for at least 2 tournaments per season: approximately \$60-\$125 each, not including your personal travel expenses (team managers may start collecting immediately after signing day)

- * Premier team fees are set assuming they will qualify for NPL and SRPL (UFA will pay the application and referee fees for these programs)
- * If a Premier team does not qualify to participate in NPL and/or SRPL, UFA will refund that portion of the player's participation fees
- * Premier teams participating in SRPL/NPL/NL pay their own personal travel expenses and coach mileage/per diem/hotel
- * National League (not to be confused w/NPL) teams pay the application, referee and all other expenses associated with this league as an EXTRA personal expense. (UFA does NOT cover these fees)
- * Team Managers may begin collecting these tournament registration fees, coach per diem/mileage/hotel and National League fees immediately following signing day

- * Club fees for the entire seasonal year are due as scheduled. A Payment plan will be available to help manage the financial impact on your family. Please note: If you click on the pay-in-full option during the registration process, but then decide to make payments, you will be advised to complete the registration process over again and an additional administrative fee of \$100 will be charged to your account. (The administrative fee will be notated as the acceptance fee in the second registration.)
- * Should you choose a payment plan: Payments are due on the 1st of each month and considered late on the 5th. (Any payments received on/after the 5th will have a late fee of \$10 added.)
- * On the 10th of each month, any player with a balance will automatically have their player card pulled and will not be eligible to participate in any UFA activities (games, tournaments, camps, clinics, etc.) until their financial obligation has been satisfied. If you register for ANY other UFA activities, the player will not be permitted to participate in that activity. UFA reserves the right to cancel the registration and allocate those funds toward the past due registration fees.
- * The Coach, Team Manager and Parent will be notified via email of any player with an outstanding balance on the 7th of each month. This is not to embarrass anyone, however, the coach and team manager need to know they may be missing a player for the next game.
- * If your account is 30 days past due, the player will NOT be permitted to attend practices until the financial obligation has been satisfied.
- * U7-U14 will have a payment plan option of 5 monthly installments, including a convenience fee of \$10 per month. If you register after October 15th, your number of monthly installments will be reduced so all fees are paid by March 1.
