-Tournaments Costs are approximately \$50 - \$75 per tournament per player.

Team managers are responsible for collecting tournament fees (**NOT UFA**).

**All players are required to pay their portion of the team's tournament fees, even if the player elects not play.**

\* U15- U19 SCCL Spring Friendly season is NOT included in the Participation Fees, as it is OPTIONAL. IF the team elects to play in the Spring Friendly Season, there will be an additional fee to participate.

\*There will be a fine of \$250 per incident, for games that need to be rescheduled for reasons other than inclement weather. If your team is charged a reschedule fee, the amount will be divided equally among all rostered players, regardless of individual participation and is considered an additional expense (not included in the Participation fees).

**Please note:**

-If you choose the pay-in-full option during the Registration process, but then decide to make payments, you will be advised to complete the registration process over again and an additional administrative fee of \$100 will be charged to your account. (The Administrative fee will be notated as the acceptance fee in the second registration.)

-If you choose a payment plan: Payments are due on the 1st of each month and considered late on the 10th. (Any payments received on/after the 11th will have a late fee of \$25 added.)

\* On the 15th of each month, any player with a balance will automatically have their player pass pulled and will not be eligible to participate in any UFA activities (practices, X-Factor, games, tournaments, camps, clinics, etc.) until their financial obligation has been satisfied. If you register for ANY other UFA activities, the player will not be permitted to participate in that activity. UFA reserves the right to cancel the Registration and allocate those funds toward the past due Registration fees.

\* The Coach, Team Manager and Parent will be notified via email of any player with an outstanding balance on the 15th of each month. This is not to embarrass anyone; however, the Coach and Team Manager need to know they may be missing a player for the next game.
